

wingspan

2012 Nelson Pinot Noir

Wingspan Wines are made in Nelson, New Zealand's sunniest region, where we often see native birds soaring above our sustainably managed vineyards.

Grapes for this wine were grown on the claybound gravels of Upper Moutere and hand harvested. Following fermentation, the wine was aged in French oak barrels for 11 months.

A vibrant ruby hue. Perfumed with spiced, macerated raspberries and hints of earth. Soft and generous, the fleshy palate surrounds finely grained tannins

pH 3.63 | TA 5.2 g/L | RS 2.0 g/L | Alc. 13.0%
